

Matt Hartley Lighting, LLC

Interior Application Submittal Form

General Information

Information in this section is required:

Project Name: _____ Your Company Name: _____

Project Address: (City/State Acceptable): _____

If not included in your e-mail:

Phone: _____ E-mail: _____

Lighting Design Criteria

Lighting levels can vary from area to area. In most cases we will follow a default standard (IES, CIE) for lighting for your region for the type of application specified. If a specific criterion is required, please enter these values on page 2 of this form.

Project Type: Office Warehouse Healthcare Residential Retail Manufacturing Other _____

Current IES RP for Project Type Use _____ RP for Project Type Use Current CIE practice for Project Type

Use specific criteria as specified on Page 2 of this form

An emergency lighting layout is required (NFPA 101 7.9.2.1). Please designate egress area on a drawing.

Drawings

- Please attach all drawings to the e-mail being sent for the design. Any files pertaining to the design should also be attached (schedules, electrical notes, local codes, etc...). Too much information is better than not enough.
- We can accept CAD files, PDF Files, and Image files (JPG, BMP, GIF). If you have a file in a different format, please contact us to see if we can work with it. In most cases we can. Other files may take longer when tracing is involved. It may be possible to open other formats.
- Please specify the areas to be calculated on the drawing. If a separate criterion is required for each area, please specify these areas on page 2 of this form.

If a simple design is required, Please provide the following:

Room Dimensions: Length _____ Width _____ Height _____ Mounting Height of Fixtures _____

Surface Reflectance: Ceiling _____ Walls _____ Floor _____ Use Standard 80/50/20

If more detailed information is required for separate areas, or specific surface finishes (colors) required, please list them on the next page for Specific Room Information.

Deliverables

All designs will include an illuminance values, fixture types, and a calculation summary. If a custom logo is needed, please include it in an e-mail. Please check the following for additional output:

Luminaire Locations Rendering Heat Map Surface Schedule Photo Realistic Rendering* Movie*

* Contact Matt Hartley Lighting for these items, additional charges may apply.
